

# ONEONESIX

## Requirements under the new COVID-19 Protection Framework (Traffic Light System)

Te Tai Tokerau will move to the new [COVID-19 Protection Framework](#) with the rest of Aotearoa New Zealand on the 3<sup>rd</sup> December, 2021. Tai Tokerau will enter the COVID-19 Protection Framework in [Red](#) and ONEONESIX will operate under the rules for [Hospitality Venues](#).

The ONEONESIX Board has decided that ONEONESIX will operate as a vaccine certificate enforcing venue which means everyone will require a My Vaccine Pass or be able to show a valid COVID-19 vaccination certificate. This includes ONEONESIX staff, volunteers, regular users, casual users, visitors, and suppliers. You can get your My Vaccine Pass from [My Covid Record | Ministry of Health NZ](#)

If you are running an event at ONEONESIX you will need to ensure that all your attendees know they will need to show their My Vaccine Pass or a valid COVID-19 vaccination certificate to be able to visit ONEONESIX.

Please remember these are central government regulations – we are following the rules so we can keep operating and continue to keep ONEONESIX open as a venue for live performance and for our community. We look forward to being able to welcome everyone in our community back to ONEONESIX in the future.

### Safety Measures in place at ONEONESIX

We have protocols in place to ensure we are all keeping safe at ONEONESIX. These protocols will differ slightly depending on the level of the traffic light system we are in at any given time.

Everyone coming into ONEONESIX must:

- use the COVID Tracker App to contract trace or manually sign-in in the foyer
- face coverings as per government regulations at each level of the traffic light system
- physical distancing to be maintained
- sanitiser and soap are available to everyone to wash or sanitise hands regularly
- high touch surfaces in our facilities are being sanitised regularly, including kitchen surfaces and doors

As the situation develops, we will continue to review our policy to ensure it is current and in-keeping with regulations so we can work together to keep our community safe.

**Key protocols at ONEONESIX for each level of the COVID-19 Protection Framework:**

<b>Red</b>	Scan in with COVID-19 Tracker App or manually sign-in Show your My Vaccine Pass Wear a face covering Max of 100 people in the venue 1m social distancing
<b>Orange</b>	Scan in with COVID-19 Tracker App or manually sign-in Show your My Vaccine Pass Face coverings encouraged
<b>Green</b>	Scan in with COVID-19 Tracker App or manually sign-in Show your My Vaccine Pass Face coverings encouraged
